Secure
Provider Portal

wellcare By **allwell.**

Manage patient administrative tasks quickly and easily.

Visibility of Multiple TINs
One point of entry allows for quick and easy access to Wellcare By Allwell member information for multiple TINs/practices.
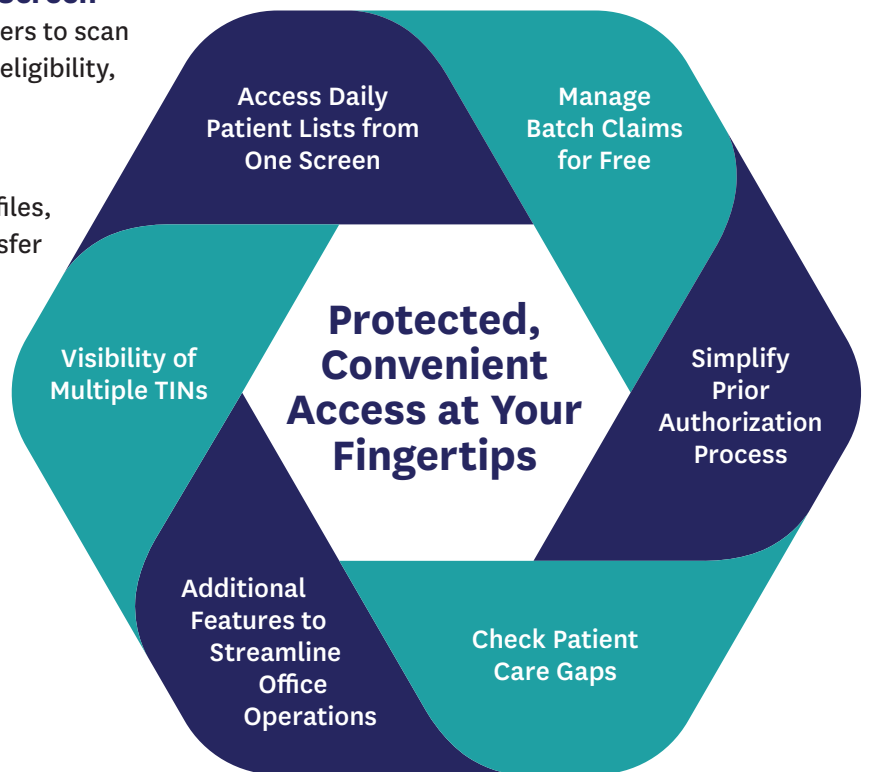

Access Daily Patient Lists from One Screen
One concise view allows primary care providers to scan patient lists for Wellcare By Allwell member eligibility, care gaps, and much more.

Manage Batch Claims for Free
Submit and manage claims, including batch files, for free. View detailed Electronic Funds Transfer (EFT) payment history.

Simplify Prior Authorization Process
"Smart Sheets" feature prompts for required clinical information when submitting prior authorization requests.

Additional Features to Streamline Office Operations:

- View patient demographics and history
- Secure messaging between provider and Wellcare By Allwell
- Update provider demographics

Protected, Convenient Access at Your Fingertips

- Access Daily Patient Lists from One Screen
- Manage Batch Claims for Free
- Visibility of Multiple TINs
- Simplify Prior Authorization Process
